

Living the Law of Attraction

Real Stories of People Manifesting Health, Wealth, and Happiness

“Changing lives, one story at a time...”

(Laguna Beach, CA, July 2008) — Finally! A book that makes the Law of Attraction come to life. *Living the Law of Attraction* is a powerful collection of inspiring, real-life stories of how ordinary people created extraordinary results by applying the Law of Attraction in their lives. It’s one thing to talk about it, explain it, teach it, but here we demonstrate it. The best way to teach is by example and we’ve got over sixty examples of real people enjoying real success through the Law of Attraction. If you had any doubt before, you’ll believe it now. The Law of Attraction works. It works for these people and it will work for you!

“Nothing inspires a person who is learning about the Law of Attraction more than hearing about how others have found outrageous success using these principles. Sometimes the simple reminder that all of this really does work is all a person needs to keep going when things don’t seem to be going as planned. This book will uplift, educate, and inspire you to live the dream that you so richly deserve.”

Bob Doyle, teacher featured in *The Secret*
and Author of *Wealth Beyond Reason*

The Law of Attraction’s concept is simple: good thoughts attract good things into your life and bad thoughts invite negative experiences. *Living the Law of Attraction* shares over sixty incredible stories from those who have applied the principles of attraction to their own lives and have witnessed the amazing results.
